Web3D Consortium			
Members and Outreach Meeting - Wednesday, March 04, 2009 NASA Ames Research Center			
Presentations			
Invited Guests	**Name**	**Web3D Technologies**	**Company**
Guest Speaker	Jay Cee Straley	Web3D: A carrier's perspective	SPRINT
Web3D Technologist	Greg Howes	Standards initiatives for Real World Builders	GeoSherpa
Web3D Technologist	Henrik Bennetsen	Sirikata, an open source approach to a virtual world platform	Stanford University
Web3D Technologist	Dan Miller	Open Source platforms based on Linden's Second Life	Singular Robotics
Web3D Technologist	Danny Maco	Exit Reality's Technology	Exit Reality
Web3D Technologist	Jeffery Pope	Virtual Worlds Roadmap	NGI Group
Web3D Technologist	David Arctur	3D-scapes in the OGC Web Services Initiative, OWS-6	Open Geospacial
Consortium Members	**Name**	**X3D Implementations**	**Company**
Organization Member	Alan Hudson	X3D Application for NASA	Yumetech
Organization Member	John Stewart	X3D - MIDI	Communications Research Center, Canada
Professional Member	Mike Aratow	Medical X3D Applications	Noegenesis
Organization Member	Mike McCann	3D Replay for ROV	MBARI
Professional Member	Joe Williams	X3D H-Anim Standards	H-Anim X3D Working Group
Directing Member	Don Brutzman	X3D Networked	Naval Postgraduate School
Directing Member	Don Brutzman	X3D Earth	Naval Postgraduate School
Directing Member	Don Brutzman	X3D Plufest	Naval Postgraduate School
		OVERVIEW	
President	Alan Hudson	X3D Overview	Yumetech
Executive Director	Anita Havele	Web3D Overview	Web3D Consortium
Web3D Student Rep	Damon Hernandez	X3D Outreach	web3dstudent.org
